Note.

The monthly bills for guarding charges for the convict labour employed in the Curzon Park, Mysore was being paid till March 03 by the D.P.W. presumably from the amount placed at the disposal of the Dept for laying out the Park.

The bill for March was returned by the Supg Engineer, Western Circle, & the Supdt, Govt Gardens, was informed that the required funds should be obtained, as no provision was made in the D.P.W. Budget for the maintenance of the ~~Curzon~~ Park.

The monthly cost of a gang of 25 prisoners is said to be about Rs 47 & of 30 men more than Rs 50.

A permanent gang of 25 prisoners is said to have been allotted to the Curzon Park. Owing to the numbers released on account of Installation & Coronation & to the small number of prisoners, the I.G. of Prisons stated that it was impossible to meet all demands for prison labour. The Supt states that this matter is very serious and would entail a revision of the Budget Estimate for the maintenance of the Curzon Park.

The Budget Estimates of the Curzon Park as sanctioned in Govt Pro: No: H.2064 65 & 28-5-03 is as follows:-

Sir,

I have the honor to enclose letters from Inspector General of Prisons and the Superintending Engineer, Western Circle, bearing on two difficulties in connection with the employment of prison labor in the Curzon Park at Mysore, and would solicit the early orders of Government there

2. While the Park was being formed last year and up till March of the curre year the monthly bills for jail warders were paid by the Department of Public Wo presumably from the lump sum placed at the disposal of the Department for laying out the Park. But I am now told to fin my own funds for these payments.

3 The monthly cost of a gang of 2 prisoners is about Rs 47, to be paid in cash. But if a gang of 30 men was employ the

the charge would exceed Rs 50, and would, according to standing orders, be settled by book adjustment. I mention this as an alternative way of meeting the difficulty, and enclose a supplemental budget estimate providing for the latter number for the approval of the Government.

4. The other matter of not being able to supply prison labor is more serious, and would entail a revision of the budget estimate for the maintenance of the Curzon Park.

No. 487/J Mel: 2. Dt 27/28th May 1903.

Sir,

In reply to your letter No. 453 dated 25th instant, forwarding in original for information certain correspondence between the jailor of the Mysore Jail and the Curzon Park Overseer and stating that the labour at the Curzon Park is largely dependant on the permanent gang of

of 25 prisoners originally allotted by the Government for that purpose and that if prison labor cannot be spared the matter will have to be represented to Government etc. I have the honor to state that it is impossible to meet all the demands for prison labor owing to the numbers released on account of the Installation and Coronation and it is for Government to decide on which works Convicts should be placed. The numbers in the Central Jail have similarly gone down, so that it is impossible to send a draft to Mysore, as the want of convict labor is equally felt in Bangalore.

The enclosures received with your letter under reply are returned herewith.

I have &c.
